# ALL SET FOR THE FINAL TOUCHES.

Open top, open mind – with Genuine MINI Accessories, you have the freedom to design and equip your MINI Convertible just as you wish. That way, every detail in your MINI becomes a perfect fit with your own lifestyle. These high-quality accessories are also, of course, designed and manufactured specially for your MINI Convertible.

The extremely lightweight 18" light alloy wheels High Spoke Styling 596 in Orbit Grey give your MINI Convertible a sporty feel. The exterior and interior mirror covers (1, 2) and the side scuttles (3), all shown here with the Black Jack design, are particularly

effective touches. All of these accessories are available in either the Chequered Flag design, the iconic Speedwell Blue pattern or various striking colours to let you round off your MINI with a personal touch.

## INSTANT ATTRACTION.

Black beauty – the Black Line trim adds sophisticated style to your MINI with its high-gloss black decorative rings for the headlights and rear lights. Additional LED headlights in black or chrome improve visibility at night and enhance the appearance in daylight hours.

## MAKE THE PERFECT ENTRANCE.

### LED DOOR PROJECTORS.

When a door is opened, LEDs project your chosen graphic onto the ground.

### DOOR PINS.

Replace the standard door-lock pin to add a clever touch of individuality and lock up your MINI in style.

### FLOOR MATS & ILLUMINATED DOOR SILL FINISHERS.

The textile floor mats in Essential Black perfectly complements the bold interior design of your MINI.

The LED Illuminated door sill finishers make getting in and out of your MINI a real highlight. The trims are available in a variety of styles, including the featured Union Jack design.
